[Yesterday was an absolute WIN. Stop dooming. Without firing a shot this movement shut down a corrupt vote and had Congress shitting its pants. Just like they should be. Keep this going. Stay organized. Stay on the offensive.](#)

If you back off now then it was a loss, definitely. If these corrupt pieces of shit are terrified every time they do something shady, or even THINK about doing something shady, then it's a win. In order for that to occur we need to CONTINUE to keep the pressure on. Yesterday was the beginning, everything before yesterday was a pre-ambler, a leadup. What happens now is up to us.

You are correct.

Police and Antifa set a trap and we got played Biden was still certified. OP is celebrating that as a win.
